PAYMENT OF TAX

Unless payment is made electronically using eForms, a check or money order covering the unpaid balance of the tax must be enclosed with the return along with Form 800V. Checks or money orders should be made payable to the Virginia Department of Taxation. Payments returned by the bank will be subject to a returned payment fee of $35 in addition to any other penalties that may be incurred.

The Department's website, **www.tax.virginia.gov**, has information to help you file and pay electronically.

eForms: File and pay your tax online for free. Simply complete the online version of the paper voucher by entering the tax information as you would if you were completing a paper form.

Business iFile: Register for Business iFile to make an online payment using Web Payments.

EFT Credit: Electronically send your tax payment. See our Electronic Payment Guide, available on **www.tax.virginia.gov,** for details.
