1999 FORM 760F INSTRUCTIONS

DEFINITION OF FARMER OR FISHERMAN

For the purpose of the Virginia estimated income tax, "a farmer or fisherman" is an individual having an estimated Virginia gross income from self-employed farming or fishing for the taxable year which is at least two-thirds (66 $\frac{2}{3}$ %) of his total estimated Virginia gross income for the taxable year.

PURPOSE OF THIS FORM

If you are an individual taxpayer who is a qualified farmer or fisherman, you may use this form to determine whether your income tax was sufficiently paid throughout the year by withholding and/or by timely filed installment payments of estimated income taxes. If it was not, you may owe an addition to tax computed at the applicable daily interest rate. Form 760C is the equivalent form for individual taxpayers who are not farmers or fishermen.

If your Virginia adjusted gross income is below the FILING THRESHOLD, you are not required to complete this form because you were not required to file an income tax return. You must file a Virginia individual income tax return if your Virginia Adjusted Gross Income (VAGI) is greater than or equal to the filing threshold for your filing status. The filing threshold amount for a single individual is also applicable to dependent children. The filing threshold amounts are as follows:

Filing Status is:	And Your VAGI is Greater than or Equal to:
Single	\$5,000
Married, filing joint or combined return	\$8,000
Married, filing separate return	\$4,000

If your Virginia income tax liability is \$150 or less after subtracting your Virginia withholding and other tax credits (except estimated and extension payments), you do not have to complete this form; you do not owe an addition to tax.

If you meet both of the following tests, do not file this form because you do not owe an addition to tax.

1. Your gross income from self-employed farming and/or fishing is at least two-thirds of your annual gross income for the taxable year, and
2. You filed Form 760, Form 760S, Form 760PY, Form 763 or Form 770 and paid the entire tax due by March 1, 2000.

For assistance, contact the Commissioner of the Revenue, Director of Finance or Director of Tax Administration for your Virginia city or county; or the **Department of Taxation, P.O. Box 1115, Richmond, VA 23218-1115, or (804) 367-8031**. If you have access to the World Wide Web, you can obtain most Virginia income tax forms by connecting to: <http://www.tax.state.va.us>.
