# GENERAL INSTRUCTIONS FOR FORM 500NOLD

**NOTE: For a capital loss carryback, file an Amended Virginia Corporation return using Forms 500 and 500ADJ.**

## Net Operating Loss Deduction Computations

There is no Virginia net operating loss, as such, available for carry back or carry over. However, since the starting point (Line 1, Form 500) is federal taxable income, there is statutory provision for net operating loss deductions to the extent that such losses are included in federal taxable income.

**Note:** The 2012 General Assembly enacted legislation that moved Virginia's fixed date conformity with the Internal Revenue Code from December 31, 2010, to December 31, 2011. At the time these instructions went to print, required adjustments for "fixed date conformity" included: (i) the special 30% and 50% bonus depreciation allowance for certain assets under the IRC, and (ii) the 5-year net operating loss (NOL) carry back allowed for net operating losses generated in taxable year 2008 or 2009. Also, Virginia will continue to disallow the income tax deductions related to applicable high yield discount obligations under IRC § 163(e)(5)(F). In addition, fixed date conformity adjustments continue to be required for Cancellation of Debt Income under IRC § 108(i), and the domestic production deduction under IRC § 199. If federal legislation is enacted that results in changes to the Internal Revenue Code for the 2012 taxable year, taxpayers may be required to make adjustments to their Virginia returns that are not described in the instruction booklet. Supplemental instructions will be posted on our website at [www.tax.virginia.gov](http://www.tax.virginia.gov). See pages 4 and 5 of the instructions for Form 500 for additional information.

Since federal taxable income must be modified for Virginia additions and subtractions, the additions and subtractions of the loss year follow the federal loss to the year the loss is utilized.

Thus, if the federal net operating loss is fully used in carry back or carry over to one year, the net amount of additions and subtractions will be applied to such year. If, however, the federal net operating loss is partially utilized in each of several years, the net amount of additions and subtractions will be applied in the same ratio to the applicable years.

The federal net operating loss deduction may be used only to reduce federal taxable income, and a federal net operating loss deduction cannot create or increase a federal operating loss. For a copy of the Virginia regulations, visit Laws, Rules & Decisions at <http://www.policylibrary.tax.virginia.gov/OTP/Policy.nsf> and click on Virginia Tax Administrative Code, or write the **Virginia Department of Taxation, Forms Request Unit, P.O. Box 1317, Richmond, VA 23218-1317** or call (804) 440-2541.

**For additional information, call (804) 367-8037 or write the Department of Taxation, P.O. Box 1115, Richmond, VA 23218-1115. You can download most Virginia income tax forms at [www.tax.virginia.gov](http://www.tax.virginia.gov). Tenemos servicios disponible en Español.**

**Note:** Multistate corporations — If federal taxable income is reduced to zero, allocable income is not considered.

Consolidated and combined filers must compute the amount of net operating loss deduction according to 23 Virginia Administrative Code (VAC) 10-120-320 through 10-120-327.

**To avoid processing delays, mail Form 500NOLD to the address shown on the form in the upper left-hand corner. Do not mail with your corporate return. Always attach a copy of federal Form 1139 or Form 1120X. If neither of the federal forms were filed, provide a detailed explanation of the adjustment.**

## LINE INSTRUCTIONS

1. Enter the taxable year for which the loss was sustained. Use yyyy format for the actual taxable year. Ex: 2008 or 2010. Do not express in ending month/year (mm/yy) format. For fiscal year filers, the actual taxable year is year on the return being filed (year of beginning period of fiscal year).
2. (a) Enter the amount of federal net operating loss.  
(b) Enter the net Virginia Fixed Date Conformity Modifications (additions and subtractions). Also, see instructions for Form 500 and Schedule 500ADJ. Fixed date conformity items to be included are: (1) Special 30% or 50% bonus depreciation

for assets under IRC § 168(k), (2) Disposed assets that received the special 30% to 50% bonus depreciation, (3) Income tax deductions related to applicable high yield discount obligations under IRC § 163(e)(5)(F), (4) Exclusions related to cancellation of debt income after December 31, 2008, and before January 1, 2011, (5) Domestic production deduction under IRC § 199 for taxable years 2010 and thereafter, and (6) Other changes not listed. Please refer to the Supplemental Fixed Date Conformity Instructions on the Department's website, [www.tax.virginia.gov](http://www.tax.virginia.gov) for information on any other additions and subtractions due to federal tax legislation passed after the printing deadline for these instructions. The Department's website will also reflect any action by the Virginia General Assembly to advance the date of conformity to the IRC that may take place before the due date for your return. Enter any amounts described in the Supplemental Fixed Date Conformity Instructions. Also, please attach a schedule and explanation of such additions and subtractions.

- (c) Reserved for Future Use.
- (d) Enter the amount of Virginia Fixed Date Conformity NOL available for carry back. [Line 2(a) plus or minus Line 2(b)].
3. Enter the net amount of the Virginia additions and subtractions from the loss year return. **DO NOT** include Fixed Date Conformity Modifications. The amount of Fixed Date Conformity additions and subtractions claimed on Schedule ADJ should be excluded from this amount. If modifications for cancellation of debt income or the domestic production activities deduction were claimed on Schedule ADJ as other subtractions or additions to federal taxable income, these should also be excluded from the amount entered on this line because these are also Fixed Date Conformity modifications. For taxable year 2004 and beyond, if you made any payments to an affiliated corporation or related individual or other related entity for interest, royalties or other expenses related to intangible property, include with other modifications. If the net amount is positive it may not exceed the amount of the loss on Line 2.
4. Enter the taxable year to which the loss was taken. Enter in yyyy format for the taxable year. Ex: 2010. For fiscal year filers, it is the year of the return being amended (year of beginning period of fiscal year). This must correspond to the same year that the loss was taken for federal tax purposes (unless a five year carryback was used for federal purposes for 2009 and 2010 in which case years will differ since Virginia only allows a two-year carryback), or would be required to be taken if no federal carryback is applicable.
5. (a) Enter the federal taxable income for the year being amended.  
(b) Enter the net Virginia Fixed Date Modifications for the year(s) being amended (additions and subtractions). Also, see instructions for Form 500 and Schedule 500ADJ. Fixed date conformity items to be included are: (1) Special 30% or 50% bonus depreciation for assets under IRC § 168(k), (2) Disposed asset that received the special 30% to 50% bonus depreciation, (3) Income tax deductions related to applicable high yield discount obligations under IRC § 163(e)(5)(F), (4) Exclusions related to cancellation of debt income after December 31, 2008, and before January 1, 2011, and (5) Domestic production deduction under IRC § 199 for taxable years 2010 and thereafter, and (6) Other changes not listed. Please refer to the Supplemental Fixed Date Conformity Instructions on the Department's website, [www.tax.virginia.gov](http://www.tax.virginia.gov) for information on any other additions and subtractions due to federal tax legislation passed after the printing deadline for these instructions. The Department's website will also reflect any action by the Virginia General Assembly to advance the date of conformity to the IRC that may take place before the due date for your return. Enter

any amounts described in the Supplemental Fixed Date Conformity Instructions. Also, please attach a schedule and explanation of such additions and subtractions.

  7. Subtract Line 6 from Line 5(d).
  8. Divide Line 6 by Line 2(d). Compute percentage to one decimal place.
  9. Enter the net additions and subtractions from the taxable year entered on Line 4. **DO NOT** include Fixed Date Conformity Modifications. If modifications for cancellation of debt income or the domestic production activities deduction were claimed on Schedule ADJ as other subtractions or additions to federal taxable income, these should also be excluded from the amount entered on this line because these are also Fixed Date Conformity modifications. For taxable year 2004 and beyond, if you made any payments to an affiliated corporation or related individual or other related entity for interest, royalties or other expenses related to intangible property, include the modification here. Please include any prior modifications from NOLD's absorbed previously.
  10. Multiply Line 3 by the percentage on Line 8.

(c) Enter the total of Line 19(a) and Line 19(b).

Reminder: Due to the reduced tax liability in carryback and carryforward years, the credits previously claimed in those years may need to be adjusted as well as the credit carryover amounts. An amended Form 500 should be filed indicating the change in the amount of credits claimed and the corrected carryover amounts. Attach a revised 500CR for the carryback year(s) to show the corrected credit and carryover amount after the NOL carryback has been applied. You must also attach a revised Schedule 500CR to the amended returns filed to report the changes to the credit(s) claimed or carryover amount resulting for the NOL carryback.

20. Subtract Line 19 from Line 18 and enter the result.
21. Enter the amount of tax previously paid for the year shown on Line 4.
22. Subtract Line 20 from Line 21. This is the refund amount.
