2010 Form 760F Instructions

Definition of Farmer, Fisherman or Merchant Seaman

For the purpose of estimating Virginia income tax, "a farmer, fisherman or merchant seaman" is an individual having an estimated Virginia gross income from self-employed farming, fishing or being a merchant seaman for the taxable year which is at least 66²/₃% of the individual's total estimated Virginia gross income for the taxable year.

Purpose of This Form

If you are an individual taxpayer who is a qualified farmer, fisherman or merchant seaman, you may use this form to determine whether your income tax was sufficiently paid throughout the year by withholding and/or by timely filed installment payments of estimated income taxes. If it was not, you may owe an addition to tax computed at the applicable daily interest rate. Form 760C is the equivalent form for individual taxpayers who are not farmers, fishermen or merchant seamen.

If your Virginia Adjusted Gross Income (VAGI) is below the **filing threshold**, you are not required to complete this form because you are not required to file an income tax return. You must file a Virginia individual income tax return if your VAGI is equal to or greater than the filing threshold for your filing status. The filing threshold amount for a single individual is also applicable to dependent children. The filing threshold amounts are as follows:

Filing Status is:	And Your VAGI is Equal to or Greater than:
Single	\$11,650
Married, filing joint return	\$23,300
Married, filing separate return	\$11,650

If your Virginia income tax liability is \$150 or less after subtracting your Spouse Tax Adjustment and other nonrefundable tax credits (except withholding, estimated and extension payments), you do not have to complete this form; you do not owe an addition to tax.

If you meet both of the following tests, do not file this form because you do not owe an addition to tax.

- Test 1. Your gross income from self-employed farming, fishing and/or being a merchant seaman is at least two-thirds of your annual gross income for the taxable year, and
- Test 2. You filed Form 760, Form 760PY, Form 763 or Form 770 and paid the entire tax due by March 1, 2011.

If you do not meet Test 1, use Form 760C.
