

TAX BULLETIN 17-11

Virginia Department of Taxation

September 15, 2017

VIRGINIA'S INTEREST RATES WILL REMAIN THE SAME FOR THE FOURTH QUARTER OF 2017

Federal Rates Remain Unchanged: State and certain local interest rates are subject to change every quarter due to changes in federal rates established pursuant to Internal Revenue Code ("IRC") § 6621. IRC § 6621 dictates that the federal underpayment and overpayment rates are three percentage points higher than the federal short-term rate. Federal rates for the fourth quarter of 2017 will be 4% for tax underpayments (assessments) and 4% for tax overpayments (refunds) by noncorporate taxpayers.

Virginia Code § 58.1-15 provides that the underpayment rate for Virginia taxes will be 2% higher than the corresponding federal rate and the overpayment rate for Virginia taxes will be 2% higher than the federal overpayment rate for noncorporate taxpayers. Accordingly, the Virginia rates for the fourth quarter of 2017 will be 6% for tax underpayments (assessments) and 6% for tax overpayments (refunds).

Rate for Addition to Tax for Underpayments of Estimated Tax

Taxpayers whose taxable year ends on September 30, 2017: For the purpose of computing the addition to the tax for underpayment of Virginia estimated income taxes on Form 500C (for corporations), Form 760C (for individuals, estates, and trusts), or Form 760F (for farmers and fishermen), the fourth quarter 6% underpayment rate will apply through the due date of the return, January 16, 2018.

Reduced Rate for Certain Assessments in Dispute:

For administrative appeals filed with the Department of Taxation ("the Department") on or after July 1, 2011, a reduced interest rate equal to the federal short term rate established pursuant to IRC § 6621(b) applies, beginning nine months after the date of assessment until a determination is issued. The federal short-term rate established pursuant to IRC § 6621(b) for the fourth quarter of 2017, rounded to the nearest whole percent, is 1%. Accordingly, the reduced rate for the fourth quarter of 2017 for qualifying assessments in dispute is 1%.

Tax Bulletin 17-11
Fourth Quarter 2017 Interest Rates
September 15, 2017

Local Tax

Assessments: Localities that assess interest on delinquent taxes under *Va. Code* § 58.1-3916 may impose interest at a rate not to exceed 10% for the first year of delinquency, and at a rate not to exceed 10% or the federal underpayment rate in effect for the applicable quarter, whichever is greater, for the second and subsequent years of delinquency. For the fourth quarter of 2017, the federal underpayment rate is 4%.

Refunds: Localities that charge interest on delinquent taxes are required to pay interest to taxpayers on all overpayments or erroneously assessed taxes at the same rate as they charge interest on delinquent taxes under *Va. Code* § 58.1-3916.

Recent Interest Rates
