### Section III – Calculation of Fee

#### **General Information**

This section must be completed for an allocation made by a pass-through of a credit which derived from a donation made on or after January 1, 2007.

A 2% fee of the appraised value of the donated interest is imposed on all transfers arising from the sale of credits and on pass-through allocations.

For deaths of credit holders who originally earned the credit that occur on or after July 1, 2018, the 2% transfer fee does not apply to credits transferred to a designated beneficiary or the next person who is eligible to receive the credit, according to the rules of intestate succession as described in *Va. Code* § 64.2-200.

A pass-through entity is exempt from the 2% fee to the extent credits are distributed to nonresident owners and the pass-through entity applies such credits to the pass-through

entity withholding tax. Credits distributed to resident owners and nonresident owners who are not subject to the passthrough entity withholding tax remain subject to the transfer fee. Because the statute relates the 2% fee to the donated interest and the credit is 40% of that figure, when calculating the fee at the credit level it equates to 5% of the credit amount being transferred or allocated. An example of the calculation is as follows:

Scenario	<b>\$10,000</b> (donated interest being transferred/allocated)
Presented in <i>Va. Code</i> § 58.1-513	x .02 (fee multiplier imposed by statute)
	<b>\$200</b> (fee dollars collected by statute)
	<b>\$10,000</b> (donated interest being transferred/allocated)
Calculation of Credit Value	x .40 (credit multiplier imposed by statute)
	<b>\$4,000</b> (credit value of the donated interest)

If \$200 is the amount of fee collected at the donated interest level, what percentage of the credit value generates the same fee amount?

	\$4,000(x)	= \$200
Same Scenario Based on Credit Value	x	= \$200 / \$4,000
	x	= .05 or 5%

If you are transferring/allocating credits derived from more than one donation, you must file a separate LPC-1 Schedule A for the credits derived from each donation. This fee does not apply to transfers/allocations made in 2007 and beyond on donations made prior to January 1, 2007.

The Department of Taxation recommends that you pay with a certified check or money order. Personal checks may delay the processing of your transfers/allocations.
