

Cattle Assessment Return Instructions

General: Beginning January 1, 2019, and ending July 1, 2023, an assessment is levied on all cattle and calves sold in Virginia. Every handler is responsible for payment of tax from the proceeds of sale owed to the respective owners of all cattle and calves when sold in the Commonwealth. Dairy cows going to farms for milk, animals selling for less than \$100 per head, or cattle of any type weighing 99 pounds or less are exempt from this tax.

Handler means, at the point where the cattle are weighed or traded and the value determined, an operator of any stockyard, livestock dealership, slaughterhouse, packing plant, or livestock auction, market, or any other person who purchases from a producer.

The handler must pay the tax to the Tax Commissioner on or before the 20th day of each month following the month in which the handler sells cattle.

Filing Procedure: The Cattle Assessment Return must be filed and the tax paid by the handler to the Virginia Department of Taxation on or before the 20th day of each month following the month in which the handler sells cattle.
