These forms should be used to compute and report the sales tax on tangible personal property sold through vending machines.

Forms VM-2 and VM-2V are used to report and pay the tax. Form VM-2B is used to allocate the local and regional sales amounts by locality and must be filed with Form VM-2. The VM-2A Worksheet, should be kept with your tax records.

Do not use these forms to report non-vending machine sales or use tax on non-taxed purchases. Non-vending machine sales (such as wholesale sales, over-the-counter sales, etc.) must be reported separately on the Form ST-9, Retail Sales and Use Tax Return along with use tax for the locality shown on the return. Use tax accrued in a locality for which you do not hold a sales tax registration must be reported on Form ST-7, Business Consumer's Use Tax Return.
