Preparation of Work Sheet, Form WCT-2A

- You should use this work sheet to compute the watercraft sales and use tax liability of your place of business shown on the Virginia Watercraft Sales and Use Tax Return, Form WCT-2. Form WCT-2 is used to report and pay the tax to the Department of Taxation.
- Do not report any other sales on these forms. If you make separate sales of accessories or parts, they must be reported on the Virginia's Retail Sales and Use Tax Return, Form ST-9.
- Retain this work sheet as a part of your tax records; **do not file it with Form WCT-2**.
- Transfer the items indicated by the arrows on this work sheet to the corresponding Line numbers on Form WCT-2.

Line 1 Enter in Line 1, total gross receipts from lease, rental, or other use of all watercraft powered by machinery or any sail-powered vessel in excess of eighteen feet in length measured along the centerline. Gross receipts shall include hourly rental, maintenance and all other charges for use of such watercraft.

Line 2 Enter in Line 2, the total gross receipts from the sale of all watercraft (including those sold for more than \$100,000) that are powered by a motor or any sail-powered vessel in excess of eighteen feet in length measured along the centerline.
